Instructor/TAC Records

The important thing to remember about these records is that the Instructors and TACs cannot perform their duties unless they have all the required documents in their records. It is therefore vitally important you make sure each Instructor and TAC has a complete record before coming to OCS Consolidation.

DA 1059 for ABIC/TAITC/BFITC: If they just have BFITC and have not taken TAITC we will accept that.

TAITC from OCT 2002 on – the DA Form 1059 must reflect the 80 hour course.

<u>Orders for ASI 5K (officer's) – SQI 8 (warrant officers & enlisted)</u>: These documents usually come in the form of "orders" authorizing the individual to hold the designated Skill Identifier for having completed ABIC/TAITC/BFITC

DA Form 705 (PT Card) – Make sure the last record APFT is within one year, and completely filled out.

Semi-Annual Ht/Wt results and must include certified DA Form 5500/5501-R's if applicable.

Promotion Orders (1LT, W01/2, SFC or above): Make sure the promotion orders are for current rank.

DA 1059 for TTOC/TQC (TAC's Only): Certificates of Completion are not acceptable unless taught at Ft Benning (they do not issue 1059's). Must be a DA 1059 showing successful completion of the course.

<u>DA 1059 for OBC (officer's), WOBC (warrant officer's) or ANCOC PH II (enlisted)</u>: Certificates of Completion are not acceptable unless taught at Ft Benning. Must be a DA form 1059 showing successful completion of the course.

Proponent Certification:
(Formerly the Title 11/Murder Board/Bn Board Cert) The Instructor or TAC must have given a class before an OCS Battalion Proponent certification board. The documented evidence will be an instructor performance evaluation and a memo signed either by a Title officer or an OCS Battalion Commander.

Semi-Annual Evaluations (Instructor's and TAC's): Each TAC/instructor must have an instructor evaluation done on them every 6 months. If the person coming to consolidation is not in an TAC/instructor slot back at his or her home station, but will be TACing/instructing OCS at consolidation they should have an instructor evaluation done on them 90 days prior to coming to Ft
